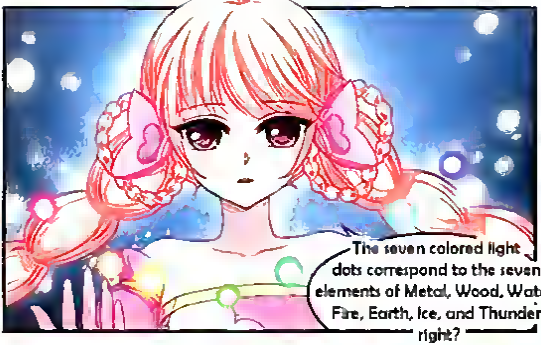
Chapter 20 : Rank soaring up



The seven colored light dots correspond to the seven elements of Metal, Wood, Water, Fire, Earth, Ice, and Thunder right?

But, how do I lead them into my body?

Who cares, all I have to do is make them go in my body! Then--

Ah e m!
CHEW
DON'T RUN AWAY!
ONE HOUR LATER
I am so full, I need to digest it!
Master, why don't you train The Secret of Chaos?

Hm, I'll train.

So, Its like this

SP: 100/100
ATTACK: 50

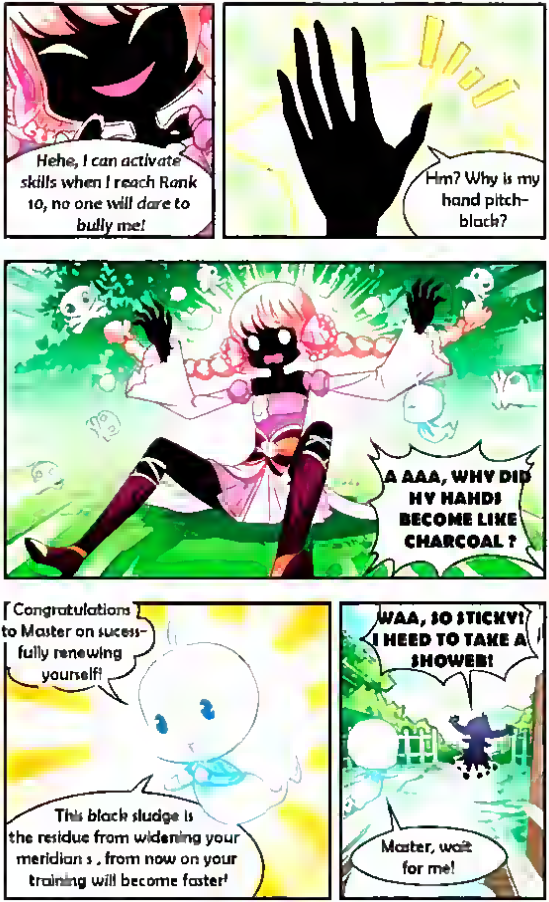
Wow, I'm already at Rank 9, it's like riding a rocket!

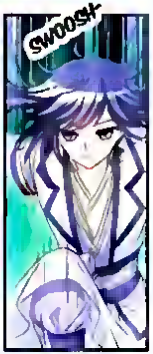


Hehe, I can activate skills when I reach Rank 10, no one will dare to bully me!
Hm? Why is my hand pitch-black?
A AAA, WHY DID HY HAHDS BECOME LIKE CHARCOAL ?
Congratulations to Master on sucessfully renewing yourself!
This black sludge is the residue from widening your meridians , from now on your training will become faster!
WAA, SO STICKY! I HEED TO TAKE A SHOWER!
Master, wait for me!

This place is very remote, no one should come here .
SPLASH
Luo Bo, be aware of the surroundings, if anyone comes , tell me.
DON'T WORRY, MASTER!
Lalala, I am a happy little bird

Such vulgar singing, are you trying to scare away the birds within a hundred miles?

I'm sorry Master!
THUNDER SPIRIT ROOT! YOU ACTUALLY DARED TO PEEK!



SWOOSH

PEEK ?
I would pick a better one to peek on!
If it's not for your ghost-howling voice disturbing my dreams, who would've known you were here

YOU ARE WERE SHOWERING IN BROAD DAYLIGHT, DO YOU NOT KNOW ANY SHAME!
ALSO STOP CALLING ME THUNDER SPIRIT ROOT EVERY TIME WE MEET, YOU HAVE NO MANNERS, THIS YOUNG MASTER IS CALLED BAILI XUNGCHENG!
CALL ME BAILI SHIXIONG, NO, CALL ME BAILI YOUNG MASTER!

I am so angry, I must kill his arrogance...
GLARE~
What...what are you planning to do?
BACKS OFF~

SPLASH~
I DIDN'T SEE ANY-THING, DON'T MAKE ME TAKE RESPONSIBILITY!

Where is she?

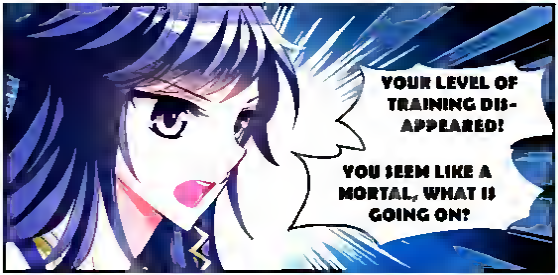
GO DOWN!
KICK
GO AND BRUSH YOUR TEETH PROPERLY, YOU VICIOUS FELLA!
RUMBLE
SPLASH

You change your clothes very fast!
Unexpected-
You were disappointed right, since you saw nothing.
CHE! I SAID I DIDN'T PEEK ...
Of course I am fast, I only need to move one finger.
Click "equip" button
It is impossible to peek !

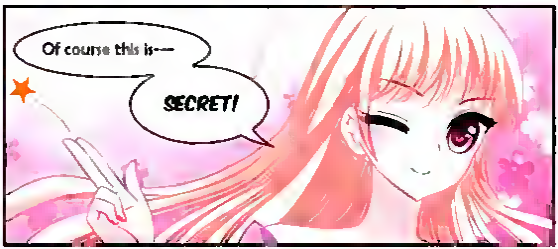
You seem to be a bit different.
How am I different?
Don't tell me...
Yesterday when I saw you, you were still a mortal, but now you have trained to Vitality Third Stratum!
It is impossible to be this speedy even for a single Spirit Root, not to mention that you are have seven Spirits Roots!

So what if I have seven Spirit Roots, there's no useless Spirit Root, there's only useless people!
And I am that prodigy of prodigies, be jealous of me!
Why are you so stern?
Do you think this is a good thing? Naive!
If you don't want people to use Soul Searching Technique to make you hand over your training secrets, then you should think of a way to hide your results!
DON'T SCARE ME

But the things he say make sense, after all a tall tree attracts wind*, I should think of a way to conceal it
Oh!
Swipe~
What are you doing?
RANK 9
You are currently Rank 9, do you want to hide your Rank?
MAKE KNOWN
HIDE
WHAT ABOUT NOW?



YOUR LEVEL OF TRAINING DIS-APPEARED!
YOU SEEM LIKE A MORTAL, WHAT IS GOING ON?

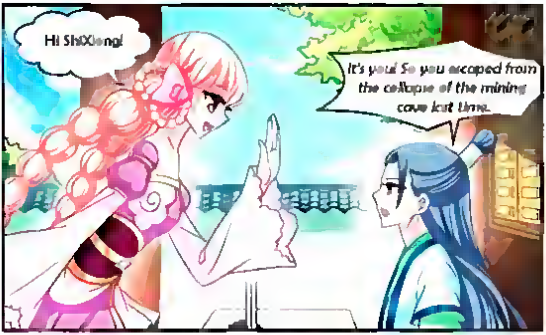


Of course this is---
SECRET!

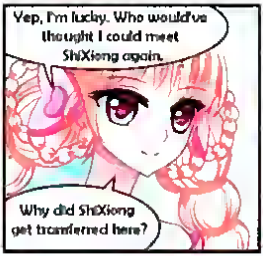
Alright, I need to go back and continue my training. Bye bye!

What does BYE BYE means?

Why am I still Rank 9 ? The experience bar is full already
Normally I would've advanced to Rank 10!
I guess cheats aren't all-mighty?
Fine, maybe there are some conditions to advance to Rank 10, why don't I go do some sect missions and earn some contribution points.
Place of Management Service
Hm, it's an aquaintance, guard A from the Forbidden Deep Chamber

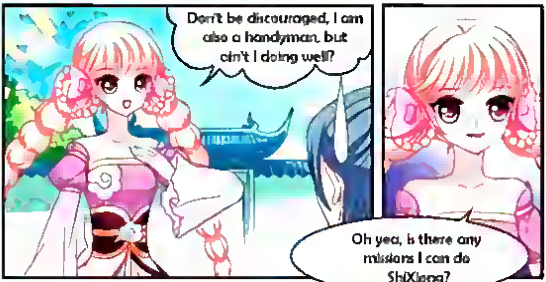


Hi ShiXiong!
It's you! So you escaped from the collapse of the mining cave last time.



Yep, I'm lucky. Who would've thought I could meet ShiXiong again.
Why did ShiXiong get transferred here?

Sigh. It's hard to explain in a few words...
Su WeiLi escaped from the Forbidden Deep Chamber, I was demoted to a handyman because of my lack of supervision.



Don't be discouraged, I am also a handyman, but ain't I doing well?
Oh yea, is there any missions I can do ShiXiong?

There are three kinds of mission, beginner level, intermediate level and advanced level. Each rewarding a different amount of contribution point.
Beginner missions reward 1 point , intermediate missions reward s 5 points, advanced missions reward s 20 points.
Correspondingly, the difficulty increases as the level increases.
Advanced missions may be pose a threat to one's life
Generally beginner missions involve s farming on Spirit Fields, removing weeds, watering and so on, I recommend you to take a beginner mission first.
I will go with advanc missions!
Hey, don't you listen to other people 's word s ?

Please don't joke ShiMei! Let me see if there are beginner missions suitable for you.

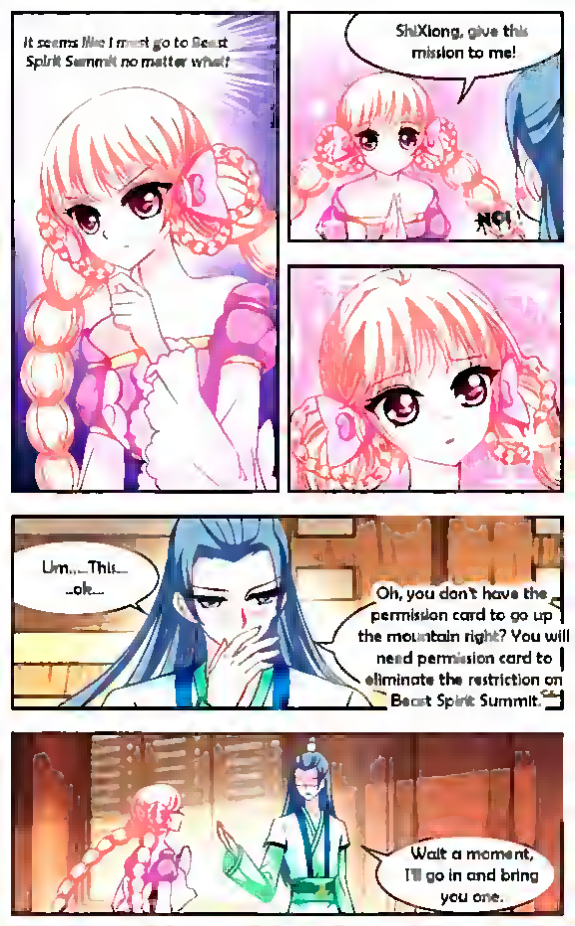
Unfortunately, they are all taken!
ShiXiong, what mission is that?
ADVANCED: CURE PURPLE TATTOO SPIRIT PANTHER'S ANOREXIA
Not taken
It's an advanced mission, it seems to be easy, I'll do this one!

ShiMei you can't underestimate this mission! 13 Inner Disciples has failed this mission within this month.
5 of them angered the Spirit Panther, and became severely injured...
Is this Spirit Panther that strong?
It is a descendant of a godly beast in the main mountain of Beast Spirit Summit, it isequivalent to a Gold Pellet Late Stage cultivator
The strength of you and me is not strong enough for it to bother with
Suddenly pops out
RECEIVED MISSION [THE TRUST OF SPIRIT BEAST]
Mission reward: Advance to Rank 10, a book of 《Beast Taming Technique》
This mission is not rejectable, unable to undo.
That's why I can't advance to Rank 10, so I'm required to do a mission!



It seems like I must go to Beast Spirit Summit no matter what!
ShiXiong, give this mission to me!
NO!
Um....This....ok....
Oh, you don't have the permission card to go up the mountain right? You will need permission card to eliminate the restriction on Beast Spirit Summit.
Wait a moment, I'll go in and bring you one.

Why can't I find the permission card? I remember there should be one left, don't tell me it's all out?
This is going to disappoint ShiMei, maybe it 's god's will to forbid her on doing this dangerous mission
Qin ShiDi!
It seems like something is troubling Qin ShiDi, what happen?
It's Jian Shille
There's a ShiMei outside that needs to go to Beast Spirit Summit to do a mission, but the permission cards are all out.
I happen to have an extra one here, take it.
Thank you Jian Shille
